

Petition for the immediate release of all prisoners of conscience

"We the undersigned,

Outraged that in many parts of the world, men and women who have neither used nor advocated violence suffer imprisonment solely because of their political or religious beliefs, their race, colour or language and this, despite the many humane and noble declarations of the assembled nations of the world, starting with the Universal Declaration of Human Rights three decades ago,

**urge the General Assembly
of the United Nations**

to take swift and concrete steps to ensure strict observance in all countries of the Universal Declaration of Human Rights,
each and every government in the world
to act for the immediate release of all prisoners of conscience."
